Thaddeus Stevens. (Prova the " Global') haldens Stevens, whose death is announced decram from America, was in many reto the most remarkable man in the United the He was possessed of greater individual. s larger amount of self-reliance; and a es bidemicable spirit than any of his comrye's. Nevertheless, he never rose beyond own in of an ordinary member of Congress. god with art authority, and exercised, the etions of a political leader without office secretarn sense, and to some extent bounded he lines of national character, he was John Bright of America-not an Eng-John Bringt in an Americanised phase, a politician of the same material cast in an rican mould. To bogin with, he was an renst on topies which profess to concern vights of man. He recognised no differ of succe and neknowledged no disparity in relains; and acting on this principle, he to will of society at defence, waging a reas war against slavery, asserting the triffe of equal rights, and in his own househailing the black as a brother endowed in allost degree with the same privileges as realf. Then again, he was incapable of a nga of policy at the behest of public opinion it submission to the force of argument. No con'd inflagare him, no multitude could to him. The tide of passing events might around or even over him, but there tout, stern and unytelding. He might binken, delle never bent; defeated, could not succomb: Moreover, he was only great in resistance, but indomitable iction. He would go forward firm in his gimes to his political faith, let who would ive for stop his progress. It his best friends dinthe west her west to the wall; if an enemy ive to himfer bim be was croshe lout of exist-. Dver friend and for alike he pressed forrd to reach the goal sometimes a visionary and rthless one, but always clear and distinct in gaze, and never for a moment hidden from on chatracted by the obtracive force of . ateral or secondary considerations. It was ritable that such a m in must be a leader. He id not follow. His own eyo must be d firmly and directly upon the object ie attained. No person, however great ood child he allowed to stand between dlens revens and the point to which he jed his aim. . It followed, therefore, that all imust staid by full in the rear or sink before The moment he appeared to espouse cause of a party, that party must move forst, however ill prepared or reluciant it might wadvance. If it would not move kindly it ist be overced-led or driven as the circum-. nees might require. We are careful to say, en he appeared to expense the cause of party. tinge, as a gutter of fact Theyldens Stevens ell no allegimes to parties, and never at heart emsed their cause. He cared nothing for men. lived alove rather than on the lovel of tide, and he used men and parties for own, purposes, sometimes one, sumatimes ther; without respect of men or comleti mas to principles. At this point the callelian of character between Thaddens your of America and John Bright of Eng-I must cease. The American polition cared thing for the means whereby he attained his rposes, and used musegapulously friend and i right and wrong, good and ovil alike, as his struments. An enthusing of the highest ore, he was not only uninfluenced by convenhal flations of right, but uninfluenced by the ims of justice and in no way amenable to the va of prodonce. Expediency was a word unown in his v cabchary, because the idea it exesued half no place in his philosophy. " Excel-e "in its nullest and haldeyt sense was his. tto, and tene to the steen uncompromising heiple it embedied, he concentrated the ole forec of his will to work out the schoole ha paged to bimaclf as a thing to be done at any ce, regardless of the evils which his bard unincep dicy might indict on secrety; or of the schief it might do to his own cause. He was in mile, that I working man, att. will and frey. To opp se him yaz like kicking against priche, to be opposed by one was like being en before a bayonet. He overwhelmed those ontompted by staul before him and he did at he list with who followed. A Balachava large which unscated half his following would use him no grief. If a friend fell by the way sacrifided by a that he might not become an ency. If a fee attempted to bend before him refused all quarter in sheer, contempt of the iven apirit that could yield rather than die. oh was Thad lens Stevens, a man of iron willd no symmoathy; and while those who from

The accomplement of her Poyal Highness the Prin ess Alice, Princess Louis of Resse, is exported in November. Her Royal Highness bus, on previous necessions, availed herself of the agrices of Dr. Priestley; but, in consideration I the increasing engagements of that physician. ally time may a complete in I west his place to be mil I this year by Dr. Realie who will be sorbled to stay during the no th with less sorbler, -Hell h M died Journa The lived of Berne, the semi-official organ of the Swiss Federal Comed, publishes the follow but confeatietion to the runnous of negotial-

tions between the French and Swiss govermonts - We cannot say what truth there is in the communications said to be taking blace between France on the one hand and Belgina! good Holland on the other; link, as for Switzerland, we can affirm on the best authority that the assertions made are void of fo n lation; No averture of the kind has | con made to the Federal Council, and nothing is known in official circles of Berne of any fact or indipation that would warrant the inference that the Einperor of the Frezich desires to ungage Switzers land in a political and military alliance with Lieutepant Colonel Shaw's unazzle-pivoting Farriage and platform for 10-meh muzzle-load

ing riffed gone of 18 tons has been tried at Shocharyness, in presence of the Orlnance Select Committee, Captain Cowp r. Coles 15.N., &c. This experiment was for the purpose of testing the working of aggun of this size mounted on the muzzle-piveting system. The gain was fired with its battering charge of 60 lb. and Palli er shot of 400 lb. and the experiment. we actisfactory results. The beavy mass of 18 tons was glovated and depressed with comparative are by three men on each winch burstles in fact the devenion could be accomplished by one man. Cloud Shaw's system. has already had a practical trial of about two vents on board the Prince Albert with a 12-ton gain, and we believe the reports of its working t have been favourable. It is the only system hitherto devised which gives a perfect muzzlepresiding and compagnantly analysis the part to reduced to the minimum size. - I'dl Mill

Hongkony, Monday Marning. The Drug market has been rather quiet and dull for the last two days, with only a dim bed minount of business in progress. It appears that arrange cents have been under and accommodelion obtained within the last few days from some of the Banks at 12 to 13 per cout. per anaum on Patua. Should actual elemence go on, and the "Balle" and appear as soliers. THE Combany's steamer on the last two days of the termination of the time bargain operations, some improvement upon present, rates might be looked Captain Nort, will be disparched for for, but otherwise prices must give way SHANGHAI AND YOKOHAMA. in, the absence of native demand by 10 to shortly after the arrival of the next French 5 dullars a chest. It is said that between Mail. 800 and 1,000 chests Patua still remains unsettled in the hands of the speculators. The but and ery of the just few mouths from the Balls, of "going to clear," bus so much favored the Bears's ery time, that but very little relimice is now placed on a similar threat, but a dry britwo will, however, solve the question. The following me the present ruling prices:-

Patus \$625, eash, and \$6274 on credit to the matives. Benares \$820 to \$6224; and Patna of the 9th sales of 3 weeks time to agrive at \$62:4 to \$630. Malwa has been in some native deniand at 8:50 to \$-105. Out of 50 chests placed at 8615 | gaged, conditionally, at the following rates of on cash terms to foreigners, only 7 chests have passed as good Drug, and the rest rejected. being too soft and inferior in quality. In the other markets there has been searcely any lasiness doing. One or two sales of Picco G missing reported from foreigners, but they are of the since unture as the sales that have been reported from time to time for the past month on six weeks, that is, for the supply of local dein indiamity. The demand for thaw that ton is again quite shock and only about 100 hairs Burgil ween's have been ploted at \$18.75

There is nothing reported in shares.
